Executive Team Consulting

The table that sets direction for everyone else

AUDIENCE	FORMAT	DURATION	GROUP SIZE	PREREQUISITE
Leaders of leaders	Ongoing consulting engagement	A year, six-month minimum	One executive team	Participants must manage teams, not just direct reports.

WHAT IT IS

Sustained work with the executive team on how it decides and how it transfers ownership, using the 6C Decision Compass and DELEGATE. The prerequisite is deliberate: this is work about leading leaders.

WHAT HAPPENS

- Decision rights are made explicit across the team, in writing.
- Ownership is transferred down deliberately rather than by default.
- The engagement runs long enough to survive contact with a real quarter.

WHAT YOU LEAVE WITH

- A decision architecture the team can point at when something stalls.
- Clarity about which decisions never needed to reach this table.

BEST FOR

Executive teams where everything routes through the same few people.
