Executive Coaching

Six sessions, built on a read rather than an introduction

AUDIENCE	FORMAT	DURATION	GROUP SIZE	PREREQUISITE
One leader	1:1 coaching	Six sessions, renewable	Individual	A completed On-Board Diagnostic.

WHAT IT IS

Retainer-based coaching for founders, operators and senior leaders. Because the OBD is done first, session one starts from a read of how this person leads rather than from an introduction. Renewable on completion.

WHAT HAPPENS

- Engagement opens from the OBD, so no session is spent on discovery.
- Six sessions run against the leader's live decisions, not a fixed syllabus.
- Work moves between two named modes, COACHING and CONSULTING, and the client always knows which one is running.
- The engagement is reviewed at six sessions and renewed or closed deliberately.

WHAT YOU LEAVE WITH

- Decisions made rather than deferred.
- A working read of their own leadership pattern under pressure.
- The option to renew, on evidence rather than habit.

BEST FOR

Founders stuck in decision loops, ops leaders scaling without structure, and new leaders in high-stakes transitions.

SCOPE AND RATE

INVESTMENT

Scoped and quoted on a call. A published rate applies for independent schools, nonprofits and public-sector teams.

COACHING is client-led. CONSULTING is expert-led. Most of the real work sits at the seam.
